EXPERIENCE

Boardwalk Investments Group

Costa Mesa, CA

Financial Analyst

Sep 2025 – Present

- Lead underwriting and valuation for the corporate portfolio across commercial and multifamily assets, building and auditing ARGUS Enterprise and Excel DCF models to support financing execution and refinancing on institutional-quality California properties.
- Analyze rent rolls, operating statements, lease abstracts, and market assumptions to set underwriting inputs, partnering with capital markets brokers, lenders, and ownership to translate results into pricing and financing recommendations.
- Build financial projections and lead market research for the firm's investment ventures into data center and SaaS platforms, evaluating revenue potential and long-term viability.
- Led digitalization of asset management operations, including Yardi implementation, executive leasing activity reporting, and automated monthly portfolio reporting.

Zachary Fund

Lake Forest, CA

Capital Market and Advisory Analyst

Dec 2023 – Sep 2025

- Conducted sectoral and company-specific research to evaluate IPO readiness, with emphasis on growth-stage technology and enterprise solution providers.
- Built valuation models using DCF and P/E methodologies; benchmarked financials against market comps using Pitchbook and SEC data.
- Collaborated with internal and external partners across the U.S. and Mexico to assess strategic alignment and identify synergies, resulting in three client acquisitions.
