EXPERIENCE

Boardwalk Investments Group Costa Mesa, CA
Financial Analyst Sep 2025 – Present

- Led financial projection and scenario analysis for strategic investment initiatives, including data center opportunities and a national certification program, delivering decision-ready models to evaluate revenue potential, costs, and long-term viability.
- Co-led portfolio refinancing and lender reporting efforts, partnering with capital markets brokers, lenders, and internal stakeholders to support financing execution, streamline diligence, and enhance reporting quality.
- Led the design, integration, and implementation of Yardi across portfolio asset management workflows, improving reporting consistency, data visibility, and operational scalability.

Zachary Fund Lake Forest, CA
Capital Market and Advisory Analyst Dec 2023 – Sep 2025

- Conducted sectoral and company-specific research to evaluate IPO readiness, with emphasis on growth-stage technology and enterprise solution providers.
- Built valuation models using DCF and P/E methodologies; benchmarked financials against market comps using Pitchbook and SEC data.
- Collaborated with internal stakeholders and external partners across the U.S. and Mexico to assess strategic alignment and identify synergies, resulting in three successful client acquisitions.
